

Dear Parents and Students,

Welcome to the 2014-2015 school year! Our English reading incentive program, *Read Across TKS*, is here for another wildly successful year!

RATKS will start **Wednesday, April 30th** and will finish in **2015 in Term 3**. Last year, students at TKS read over 15,000 books! This year's theme is "*Hooked on Reading!*" Let's work together to read another 15,000 books! Students are to read English books from the English Library that are appropriate to his or her English reading level: not too difficult and not too easy.

Like last year, students must do their best work to complete a Reader's Response (RR) in order to earn points. Students earn **1 point** for each **completed** RR. Completed RRs are to be turned into his/her English teacher. Students will have a choice of RRs according to grade level and reading level. RRs will be introduced and practiced in class. They will become available from English Language Arts teachers as well as online at www.tokoslibrary.com under the Read Across TKS 2014 tab.

Let's get reading!
TKS English Library Team
